Calpipe Industries, Inc.TM is pleased to announce the appointment of Jerome Korthase as Manager – Corporate Standards and Specifications.

Rancho Domínguez, CA (February 29, 2016)—Calpipe Industries, Inc.TM has appointed Jerome Korthase to the position of Manager – Corporate Standards and Specifications as part of a drive to further raise Calpipe's profile as the market leader in product development and specifications.

“Jerome's previous experience as a National Specification Manager and Director of Technical sales, coupled with his industry knowledge will serve him well in this new role”, said Dan Markus, President. “His experience in driving engineering specifications, training and product development, will be invaluable to the direction and growth of the Calpipe family of product lines”.

As Manager – Corporate Standards and Specifications, Jerome will be responsible for collaborating and driving solutions across product development teams in Engineering, Manufacturing and Sales and creating a stronger specification presence for current and future products.
